Attention: Kalani Norton, Managing Partner

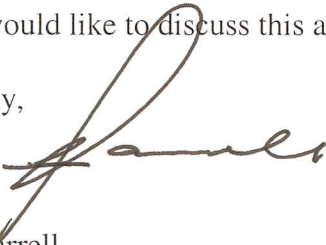

Subject: letter of reference

To whom it may concern:

Dick Pacific Construction has been engaged in sub-contracting work with Nexus Environmental Group Guam for the past several years. Nexus has performed exceptionally well on all projects. We have sub-contracted them on the following projects, Renovation of BOQ 2000 & Building 179 Naval Station, COMNAVMARIANAS, Demolition of the Security Forces Building AAFB, Guam, Construct Medical Dental Facility AAFB, Guam and last year we utilized their service on Kwajalein Atoll in the Marshal Islands to perform asbestos abatement. Nexus has performed well on all projects with Dick Pacific and I would highly recommend them for any environmental work on Guam and in Micronesia.

If you would like to discuss this any further I can be reached at (671) 647-5500.

Sincerely,

Keith Farrell
Vice President Micronesia
