Sumitomo Construction Co., LTD
Attention: Masaaki Yagi, General Manager
P. O. Box 9670
Tamuning GU 96931

Reference: Kalani Norton, NEXUS Environmental Group Guam

Dear Sir:

The United States Postal Service, Guam, has had the pleasure in utilizing the services of Nexus Environmental Group Guam on several asbestos abatement projects at our facilities on Guam. Nexus has always provided the Postal Service with an outstanding quality of work. All projects were completed on time and on budget. Mr. Norton's adherence to the stringent OSHA regulations is unsurpassed. I would recommend Nexus for any future projects.

Sincerely,

A handwritten signature in brown ink, appearing to read "Tony San Nicolas", written over a horizontal line.
